In 1951, a small privately owned granite company named Star Granite opened in Elberton, Georgia, the granite capital of the world. Over the years, our company has grown to become a respected leader in the granite memorialization industry by providing top quality consistently with service beyond our customers’ expectations.

As a wholesale quarrier and manufacturer, Star Granite & Bronze owns its own state of the art facilities and has developed a comprehensive line of products which include bases for bronze memorials, grass markers, slants, bevels, upright monuments, memorial benches, columbariums, as well as cemetery features and private mausoleums. Because we produce our products, we retain the highest control of quality and ultimately the service to our customers.

We are driven by our desire to be the most professional and quality-focused company within our industry. Our mission continues to be that Star Granite & Bronze will conduct business with integrity and ethically. However, for us it’s not just about business; it goes much deeper than that. All of our employees are led by our guiding principles as we serve our customers.

Our Guiding Principles

Customers – We exist only because of our customers. Our customers’ needs are first and foremost in every employee’s mind.

Quality – Quality is our signature. Quality is our ongoing commitment to achieve excellence and set the standard for product quality and value.

Service – Service is our character. Service is the backbone of our company. Our service attitude is focused on customer satisfaction with a total service experience that goes beyond our customers’ expectations.

Value – We believe in pricing our products competitively and fairly. We compete in the marketplace on the basis of value, which is a quality product, at the right price, delivered through superior service.

Teamwork – Through teamwork, we can accomplish more than we could individually. To accomplish our mission requires unity, understanding, and a commitment to work together. We believe that it is our combined efforts that enable us to achieve the highest quality results.

God – God is to be glorified. Star Granite & Bronze exists only by the grace and blessing of God. This corporation was founded on Biblical Christian principles and, as a corporate entity, seeks to display Christian behavior in all business dealings. Star Granite & Bronze will be known as a high integrity company.
