

PRENEED PRICE GUARANTEE

Brewer & Sons Funeral Homes & Cremation Services guarantees your funeral and/or cremation services at today's prices for those items you prepay.

HOW CAN WE DO THIS?

As you know, what you buy today will certainly cost more in the future. It is our responsibility to invest your funds with a growth rate to meet annual inflation. The growth in the investment offsets the inflated cost and will be used for that purpose. We wish that all investments grew in excess of inflation, but they fail many times. We just need to look back to 1981, 1996, 1998, and most recent 2007, 2008, 2009. Even though these times provided negative growth with increased inflation, we continued to guarantee our funeral and cremation prearrangements, often at a loss. Therefore, you and your family should realize that when we provide your funeral and/or cremation service we will retain all growth in the investment for the purpose stated above. This is the only way we can guarantee what you have prepaid.
